Oswego, NY – A Great City on a Great Lake

Practicing in Oswego County offers small city living with close proximity to large metropolitan areas. Residents enjoy an affordable high standard of living. Oswego's location on Lake Ontario and its four distinct seasons offer endless opportunities for boating, sailing and other water sports as well as many cultural events, festivals and family activities throughout the year.

Oswego's cost of living is below the U.S. average. Residents enjoy affordable real estate where children can play and ride their bikes safely. You and your family can benefit from the relaxing effect of being around nature and having year round activities at your doorstep.

Oswego County elementary and high schools offer high learning curriculum standards and prepare students to be successful and contributing members of the community. In addition to great primary schools, Oswego County is home to SUNY Oswego and Cayuga Community College. Within an hour's drive are Syracuse University, Le Moyne College, Cazenovia College and many other high quality institutions within the region.

Our practice options offer a unique opportunity to enhance your career, lifestyle and contribute to your community. Join our team at Oswego Health and enjoy a rewarding career and enriched life in an ideal setting.
